

COPPER CLIFF PUBLIC SCHOOL

HOME OF THE CRUSHERS

JANUARY 2017

THANK YOU!

CCPS's Christmas Concert was a huge success! The stage decorations looked fantastic and all of the classes did a wonderful job decorating the walls of the gym with their unique class projects. Thank you to Mr. and Mrs. Stickles for their annual help with lights and sound and to Mr. Cruthers for joining the lights and sound team! Thank you to staff and students who practiced so hard! And finally, thank you to parents and family members who came out and supported us! A special thank you for all donations of baking and for school council for assembling the trays. We raised \$800.00 for student activities!

INCLEMENT WEATHER

In the event of inclement weather, listen to the radio for cancellation of buses and classes. In the interest of safety and well-being of staff and students, classes will be cancelled when weather conditions warrant such action.

To find out if schools are closed or buses are operating, please listen to the radio. Every attempt will be made to announce class cancellations on the various radio stations by 7 a.m.

In extreme conditions, there may not be anyone present to receive students upon their arrival. Please listen to the radio in the event of inclement weather. If schools are closed, please do not bring your child to school.

If schools are open but buses are cancelled and you drop your child off, please remember that you must pick your child up at the end of the day. If you decide to let your child remain home and they normally walk to school, please remember to notify the office.

KIDS HELPING KIDS

Our school participated in the "Kids Helping Kids" Edgar Burton Food Drive and contributed many non-perishable foods to our local food bank. We kept track of donations, and Mr. Moxam's Grade 7/8 class won a pizza party for bringing in the most cans!

CHRISTMAS RAFFLE

Congratulations to Carol Chateauvert who won the beautiful plaques donated by KimberCreations just in time for Christmas! Thank you to everyone who supported this fundraiser. We were able to raise \$237.00 to pay for our Grade 7/8 Year End Trip!

CCPS KINDERGARTEN INFORMATION NIGHT - January 17

Is your child starting school this fall? Copper Cliff Public School will host its information night for Kindergarten registrations. All parents/guardians and children are invited to attend.

Information Night will take place from 5:30 pm to 6:30 pm on Tuesday, January 17, 2017.

For enrolment in Kindergarten, your child must be four years of age by the end of the calendar year. When registering your child, please bring his/her identification documents including birth certificate, birth registry/baptismal certificate, proof of residency, Ontario Health Card and immunization record.

Copper Cliff Public School offers the English Program which is exclusively in English and includes a Core French component, which begins in Grade 4. Students learn basic French through songs, games, drama and interactive activities for a specified period of time daily.

RAINBOW SECONDARY SCHOOLS HOST INFORMATION NIGHTS FOR GRADE 8 STUDENTS

Grade 8 students and their parents/guardians are invited to Information Nights at Rainbow secondary schools in Sudbury, Espanola and Manitoulin Island. All students are welcome to participate, regardless of which elementary school students currently attend.

To help in the process, Rainbow District School Board has produced a Guide for Students and Parents called "Making the Transition – Finding your way from Grade 8 to Grade 9." The guide contains information about course codes, levels of study, timetables and tips. The guide can be accessed online at rainbowschools.ca. Copies are also available by emailing info@rainbowschools.ca or visiting area Rainbow secondary schools.

HOME OF THE CRUSHERS

JANUARY 2017

Rainbow District School Board's secondary schools offer exceptional opportunities in arts, athletics and academics, in English and French Immersion, in all program pathways – independent living, work, apprenticeship, college and university.

The Board also has four specialized programs - the Arts Education Program, the Science Technology Education Program (STEP), the Integrated Technology Program and the International Baccalaureate Program (IB). Busing to these programs is offered to students within Greater Sudbury.

PARKING

Parents are asked to obey parking signs when dropping off or picking up students. Please keep the crosswalk area free from vehicles. The crossing guard needs to have this area clear in order to assist students crossing School Street. Congestion around the crossing guard area on School Street is not safe for our children. Thank you for your assistance in keeping our students safe.
